

E D I T O R I A L

I am very pleased to be able to introduce the last edition of the BILA Journal for 2009. I am very grateful to the contributors for four very topical contributions; on non-disclosure in Dutch law, the Principles of European Insurance Contract Law and on D&O coverage in the credit crunch. In addition to his article on D&O insurance, Professor Rob Merkin was kind enough to let me re-print his update on current insurance cases, first presented to the membership at the BILA AGM and half day conference in September.

My thanks (as always) go to the members of the Editorial Committee (Stephen Lewis and Jonathan Goodliffe) and to the Secretariat, without all of whom the Journal would not see the light of day.

We hope that you will have a good 2010.
