London Meeting 15 - 19 July 1985

Tort and Insurance Practice Section (TIPS)

In our last issue (No. 57), Gordon Shaw outlined on pages 35 and 36 the programme which has been prepared for our American visitors.

This London meeting will follow a week in Washington D.C. and the mind boggles at the number of 747's which will be heading east across the Atlantic on or around July 14.

By way of example as to how the various sessions will be structured, the programme for the morning of July 16 in the City Conference Centre, organised by the Property Insurance Law Committee of TIPS, looks as follows:-

10.00 a.m. Introduction by Douglas G. Houser, Portland, Oregon.

10.05 - 11.45 Various presentations by American attorneys on aspects of property insurance law. One 15 minute session is headed: "What Lloyd's does 'wrong' in the USA".

11.45 Introduction of the London Programme by Gordon Shaw followed by a speaker who has not as yet been named.

Obviously, all sessions are going to be extremely stimulating and, to enable the organisers to have an idea as to who might be interested in attending the various meetings, we are enclosing a sheet for completion and return, please, to Gordon Shaw.
